GOSSIP OF THE TURF.

Now that the American jockeys are becoming persona non grata in England, the heavy boys of this country are looking to other fields of conquest. The great success attained by Cash Sloan and Fred Taral on continental courses has aroused in many of our heavy weight boys a desire to go and do likewise. The recent success of Eddie Ames in Australia has turned the eyes of every knight of the pigskin in that direction. Bullman is the latest rider to announce his intention of following in Ames' footsteps. Bullman announces that he will certainly go to Australia in the coming spring. He is held in high regard by a host of racing people, and will be missed.

At the sale of thoroughbreds at the Occidental Exchange, San Francisco, December 3, yearlings sired by St. Carlo brought very satisfactory prices. Burns & Waterhouse paid \$2,500 for Coronel, b. c. by St. Carlo—Orellana, by Ormonde. The St. Carlo—Moonlight gelding was secured by L. McCreery for \$1,100. John Campbell was the purchaser of the St. Carlo—Santa Cruz filly for \$900. Lord Carew, by St. Carlo—Lady Marmion, was knocked down to Fred Edwards for \$1,200. Burns & Waterhouse bought Young Marlow, by St. Carlo—Marilee, for \$900, while Gus Abercrombie paid \$1,000 for Revolt, by St. Carlo—Anarchy.

Major F. A. Daingerfield, master of Castleton Stud, Lexington, Ky., has received a letter from James R. Keene, stating that the stallions at Castleton will be absolutely private next season. This, of course, does not apply to Handspring, the property of P. J. Dwyer, as the good son of Hanover has stood public at Castleton for several seasons. The rule applies to every stallion at the place owned by Mr. Keene, and the list is now a long one, including Kingston, Commando, Horoscope, Ben Brush, Voter and St. Leonards. In the same letter Mr. Keene, by specifying that he would restrict a gift season to Commando to the very lowest limit of close personal friends, intimated that he expected the son of Domino to take his sire's place.

It will be a matter of interest to turfmen generally to know that Garry Hermann, the \$20,000 colt, favorite in the winter books for the Kentucky and American Derbies of this year, will race the coming season and he is now being prepared at Churchill Downs by trainer "Bob" Tucker. Garry Hermann, it will be remembered, was scratched from the Kentucky Derby, not because his owner, Capt. S. S. Brown, of Pittsburg, did not think him good enough to win that coveted event, but for the reason that he wished to save him for the American Derby, and as every follower of the turf will remember, the colt, after a burst of speed at Hawthorne in a race preparatory to the American Derby, broke a blood vessel, causing what was feared at the time his permanent retirement from the turf. Since then he has been nursed along carefully and is considered physically perfect again.

Trainer James Dyer is on his first visit to this country since his engagement to Count de Lutzenbacher, who is one of the racing magnates of Hungary. The Lutzenbacher estate is situated about sixteen miles from Buda Pesth. There is a fine two-mile turf track and it is a good training ground. Trainer Dyer trains in the American style, with a watch. He has a man stationed at every furlong pole with a flag that he dips as soon as the racer reaches it. In this way, standing on the training stand, he can split his watch at every furlong, and the time is absolutely correct in every instance. He had a trying time of it with his Hungarian flag holders at first, but now they are quite up to the mark and perform their duties admirably. Dyer had forty-eight horses in his charge when he left, and several of them promising. The richest event of the Buda Pesth meeting is a six-furlong event for all ages, with conditions. It is worth about \$30,000, and the running is always witnessed by a concourse of people. The training methods in Hungary differ greatly from those in vogue in this country. A racer is allowed all the oats he can eat, with very little hay. In this way he can eat close to sixteen quarts of oats per day, whereas in the American method, which is entirely different, he is allowed all the hay he wants and can rarely eat more than eleven or twelve quarts of oats during twenty-four hours. As is the English custom, the exercise boys "do" the horses up. Also, as in England, there is too much rubbing, and the racers are made savage in consequence. The pay of the stable men is not nearly as remunerative as it is here, for they get but \$12 per month and pay for their own living. Capable jockeys are, however, liberally treated and have every opportunity in their own stable for making money. At the same time a jockey is restricted, in a way, to riding for his own stable. Every establishment having its own riders, public riding does not receive the same encouragement that it does here.

The New Orleans Picayune of December 9, commenting on the sport that is being given to turf patrons there, has this to say: "The task of establishing sport that would win the respect of the turf's followers the country over has been more than the average patron of the track can realize. Prejudice, just or unjust, had to be lived down. Happily the right sort of people undertook the work and in the right way. When profits were small and ill-feeling considerable, they labored on, hopeful for the success which they have now obtained. Racing, such as was furnished yesterday, will go to fill a bright page in turf history. All that is needed now is that this standard be lived up to. Any retrogression will be disappointing and costly, for the reason that the staff officials at call are well capable of regulating any course in the country."

Winner—Ch. g. by Inverness—Affinity. Went to post at 2:15. At post 1 minute. Start good. Won easily; second driving. Afghan outclassed the field, quickly assumed command and won practically alone. B. F. Mason showed a fine burst of speed and stayed well. Sisenvine, Bagdad and Young Morillo finished well and appear to be in good form. Mrs. Brunell went badly throughout. Herald showed early speed and should improve. Scratched—29653 J. Boggs, 112. Afghan, show, 1 to 3. B. F. Mason, show, 2 to 1. Sisenvine, show, 3 to 1. Mrs. Brunell, show, 2 to 5.

*Ran as Snowberry. Winner—B. g. by Golden Garter—Ricardo. Went to post at 2:44. At post 4 minutes. Start good. Won easily; second driving. Jarrietiére d'Or drew out right at the end in impressive fashion and probably outclassed the field excepting Esternell. The latter showed much speed and may have been short. She is a good looker and has been very highly tried. Cathello, in the deepest going throughout, ran a sparkling race. Louwelsea and Tyrannus finished strongly. The entire field was in a fairly close bunch when a furlong out and The Giver especially was making up a lot of ground from a bad start. Anna B. ran her race on the extreme outside. Scratched—29683 Phyllis, 115; 29652 Flattered, 115. Jarrietiére d'Or, show, 3 to 5. Esternell, show, 7 to 10. Cathello, show, 10 to 1. Louwelsea, show, 3 to 5.

Winner—Ch. g. by Iroquois—Nellie Grand. Went to post at 3:07. At post 1 minute. Start fair. Won driving; second easily. Native easily drew to the front on the stretch turn and while easing up in the last furlong was nearly caught napping by Goldone. The latter was outrun to the stretch, but finished very fast. Dunblane went well for six furlongs, but quit under punishment. Gusto was unable to show his usual speed for over five furlongs, but should settle down to better work after a race or two on a fast track. David S. was practically left. No show betting on first three.

29749 FOURTH RACE—6 1-2 Furlongs. Purse \$500. 3-year-olds and upward. Handicap.

*Omitted from entries. Winner—Ch. g. by Watercress—Lena's First. Went to post at 3:32. At post 2 minutes. Start good. Won easily; second the same. Water Cure, fresh and good, displayed amazingly early speed and far outclassed the field. He is in great form and came through with a rush in the worst going in the last furlong. Doublet ran a remarkably speedy and game race and was going very strongly at the end. Rosormonde finished fast. She is fresh and probably in her best form. Varro showed a high turn of speed, but tired at the end. Meehanus had apparently plenty in reserve during the first half, but he failed signally in the stretch. His recent races in the mud were responsible for this. This race will improve him for fast track conditions. The Fretter ran a good race, but was handicapped by being in the deepest going next to the rail in first part of the trip.

Overweights—The Fretter, 1 pound. Water Cure, show, 2 to 5. Doublet, show, 3 to 5. Rosormonde, show, 8 to 5. Meehanus, show, out.

Winner—B. g. by Strathmore—Kelp.

Went to post at 3:57. At post 3 minutes. Start good. Won handily; second driving. Plohn, under a vigorous and perfect ride, sustained a high flight of speed under tremendous pressure throughout and was going away at the end. Sunello, always prominent, was a good horse today, but was lucky to score in second place, as he was swerving badly at the end. Artilla ran a good stretch race, but lacked proper direction at the critical stage. Merops was poorly ridden throughout and entirely too much use was made of him. He showed brilliant speed, was badly husbanded, and but for being crossed near the finish would have been second. Rush Fields went well throughout. Lode Star was under pressure from the start and could never get up. Tony Lepping ran well for him.

Overweights: Plohn, 3 pounds; Sunello, 1.

Winner—B. g. by Puryear D.—Straight Tip.

Went to post at 4:50. At post 3 minutes. Start bad. Won handily; second the same. Tizona, under pressure from the start and in the worst going, drew out quickly right at the end. Midnight Chimes closed a big gap from a bad start and was interfered with in the last furlong. Patsy Dolan beat the gate and showed a good burst of speed but quit badly at the end. Parsifal got off badly and made up a bit ground but also quit. Compass was nearly left and closed a tremendous gap. Letiger and Quiz got off badly and had no chance.

Went to post at 2:00. At post 1 minute. Start good. Won driving; second easily. Little Scout came fast through the stretch and wore the others down and was the best at the finish. Amote ran a good race but hung when it came to a drive. The Way was taken wide in the stretch and finished strongly. Rose of May was taken wide on the first turn but made up ground fast on the far turn and the effort told on her at the end. King Tatus was taken the outside route and was poorly handled generally. Winnora ran well for five furlongs.

Winner—Br. g. by Prophecy—Levity.
Went to post at 2:31. At post 9 minutes. Start fair. Won easily; second the same. Cochran picked his going with Frank M. His mount showed the most speed and came away from the others when called on. Dandy H. was taken to the outside in the first part of the race but ran well and finished strongly. Thompson, on Bequeath, was of little assistance and with a stronger rider he might have won. It was a weak ride in Mr. Pomeroy. Lexington Pirate showed early speed and was probably short. Azua also showed early speed.
Scratched—19709 Whisper Low, 102; 29721 Monmouth Boy, 102.

GOSSIP OF THE TURF.

During the first nine days of the Crescent City Jockey Club meeting, ending with Saturday, the club's offerings for the horsemen averaged close to \$2,100 per day. To be exact, the total amount offered by the association for that period was \$18,350. The money was pretty widely distributed, as seventy-one different owners now have credit on the books of the association in amounts ranging from \$25 to \$2,025. Only ten of the seventy-one have captured as much as \$500 each, and just one-half of these have as yet reached the \$1,000 mark. Fizer & Co. have the record to date for the number of races won. They have made fourteen starts at the meeting and have been unplaced only three times. Six of the eight horses which have carried their colors have earned brackets, Beana being credited with two of their seven victories. With no stake to their credit Fizer & Co. head the list of winning owners. The Inaugural was worth \$1,735 to John Call & Co. The Magnolia Selling Stakes, taken by B. G. Fox, netted D. P. Rodgers & Co. \$1,375, while the Palmetto Steeplechase Handicap was worth \$1,170 to W. S. Laird, owner of Governor Boyd. A. H. & D. H. Morris have won \$1,123. T. O'Brien, the Fizer jockey, has the most winning mounts to his credit, eight. Coburn has ridden seven winners, Lyne, five, Dominick, four, Dale, three and T. Dean, Otis, Blake and Cochran two each.

To complete the general scheme of coincidences in which twins figure so conspicuously, the brown yearling filly, by St. Leonards—Mere Hill, dam of Unmasked and Ingoldsby, by MacGregor, will have to win the Twin City Handicap. The filly was recently purchased by Charles E. Mahone. The filly has a twin brother in the stable of James R. Keene. The filly has been called Vestia, for Miss Vestia Mahone, who is the possessor of a twin brother. The exercising boy who will ride the filly has a twin brother, and Mr. Mahone is still figuring to see if the combination will not work still further.

Among the owners who are now at Charleston, S. C., with their strings are: J. R. Hand, P. Monahan, H. Henderson, M. Burns, Joe Flinn and Mike Kelley, who shipped there from Washington; M. South, of Owensboro, Ky.; J. M. Simms, St. Louis; John Edwards, Savannah; W. A. Rhinehart, Latonia; Charles Wise, Newport; J. M. Johnson & Co., Nashville; John Stafford, J. Benson and George Pierce, Windsor, Canada; M. R. Taylor, Atlanta; Eteen & Turner, Kentucky; H. Check, Wheeling, W. Va.; P. Klein, Atlanta; W. D. Schneider, Latonia; R. Crowhurst, Newport; Gaines Bros., Frankfort, Ky.; Ernest Cattrell, Wheeling, W. Va.; George Kelly & Co., Rochester, N. Y.; Gus Inglesking, Richmond, Va.; Major Emory, Weldon, N. C.; B. L. Shaw and J. W. Hunt, of Charleston.

Word comes from New York that the old fight between the race tracks and the poolrooms has taken on a new lease of life, and there seems to be every possibility that now it will be waged with even more bitterness than ever before, if such a thing is possible. For the first time the Jockey Club, the racing authority of the east, dignifies the proceeding by today taking a part, announcing its intention to be represented by counsel, and to join in the defense of the Percy Gray law, under which races are conducted and bets on them are made within the state of New York.

This will be a fight to the finish. Less than ten years ago there was the same kind of a conflict in New Jersey, with almost the same combatants, and in the end the race tracks were beaten out. Monmouth Park, Linden, Elizabeth, Guttenberg, Gloucester, Clifton, Dundee and all their rest, with improvements representing many millions of dollars, were forced to close.

It was Peter De Lacy that led the poolroom men in the old fight. Now it is "The" Allen that comes forward as the figurehead for the gamblers. One of Allen's men, Charles Bennett, was arrested last April, charged with poolselling. His case went through the usual channels. He was indicted by the grand jury and the case will be heard in general sessions.

NOTES OF THE TURF.

John E. Madden, the noted Lexington turfman, is at Louisville, Ky., with what appears to be the greatest string of thoroughbred yearlings ever under his control. He has thirty-eight youngsters now quartered at Churchill Downs and will remain there with them, though he will make periodical trips to his home, Hamburg Place, near Lexington.

The officials of the Crescent City Jockey Club received notice last Monday that W. Ware who was implicated with jockey Combs in the Wax Taper race at Sheepshead Bay last summer, and ruled off with the rider and others, had arrived and was a daily visitor at the track. Orders were issued that he be located and ordered off the grounds.

Banish has proved a useful animal for Clinton DeWitt at New Orleans thus far. Barring a break-down Banish is almost certain to win a number of other purses before the meeting is over. He runs equally well in the mud as on a dry track.

Charles Scoggin will handle, at Churchill Downs, the chestnut yearling filly, by St. Florian—May Kennedy, by Faustus, which George Lindenberg, of Louisville, has purchased from W. H. Laudeman. The price was \$300.

Should the New Orleans track be heavy or soft next Saturday, Lou Woods will have a big following in the preliminary Derby. The colt is at his best just now, and is surely a clever mud proposition.

A San Francisco paper says that Johnny Woods is quicker in getting away from the post than O'Connor, and that he uses better judgment as to pace and puts up a stronger finish.

Lamp o' Lee, one of the most useful horses of the Bennings contingent that went to New Orleans, has spread his hoof. He will not face the flag again in some time.

Jockey Ruiz left San Francisco, Cal., for Australia last Friday, where he expects to ride considerably, as the scale of weights there is much higher than here.

It is reported unauthoritatively that Adolph Spreckels, the California millionaire, will race a string of horses in the east next year.

JOCKEYS HANDICAPPED.

DAILY RACING FORM will from now on publish each week a table of the rating of the jockeys riding at each track based on their performance in the saddle. The best riders at each track will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys a corresponding five points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the tables. The following is the rating of the jockeys now riding over the various tracks:
